About the College
In 1950 Vijaygarh Jyotish Ray College came into existence as part of a larger historical reality known as Bengal Partition. Continuous with the struggle carried on by the victims of Partition elsewhere, the college sprang up with the sole effort put in by those who fled from the province East Bengal. Vijaygarh Jyotish Ray College is located in the Jaldhara area bordered by Sakaganj, Pabna, Sree Colony, Goll Green and Vijaygarh. It covers an area of approximately two square miles and home within the colony today are approximately 15,000 inhabitants. In June, 1950 the first colony committee consisting of Santosh Kumar Dutta, Bhupendra Lal Ray, Prof. Samar Choudhury and Prof. Sukumar Chakraborty set its sight upon the military barrack as the possible site for the college. In 1950, 21 August, Eastern Command that owned the site finally agreed to hand it over to the committee for the college to be built. The college was finally founded in 1950, 2 November. The first governing body consisted of Prasanta Kumar Bose at the helm included such illustrious academicians as Dr. Tripura Sen, Dharendra Nath Raychowdhury, Nagendranath Pal, Sukumar Gupta, Dr. Mahesh Raychowdhury. With this in view the college has progressed in the last 65 years.

Call for Papers
Unpublished and Original research, conceptual papers related to the theme and sub-theme mentioned below are invited from Students, Research Scholars, Professionals, Educators and others for presentations at the seminar. Selected papers will be published in an edited book with ISBN later.

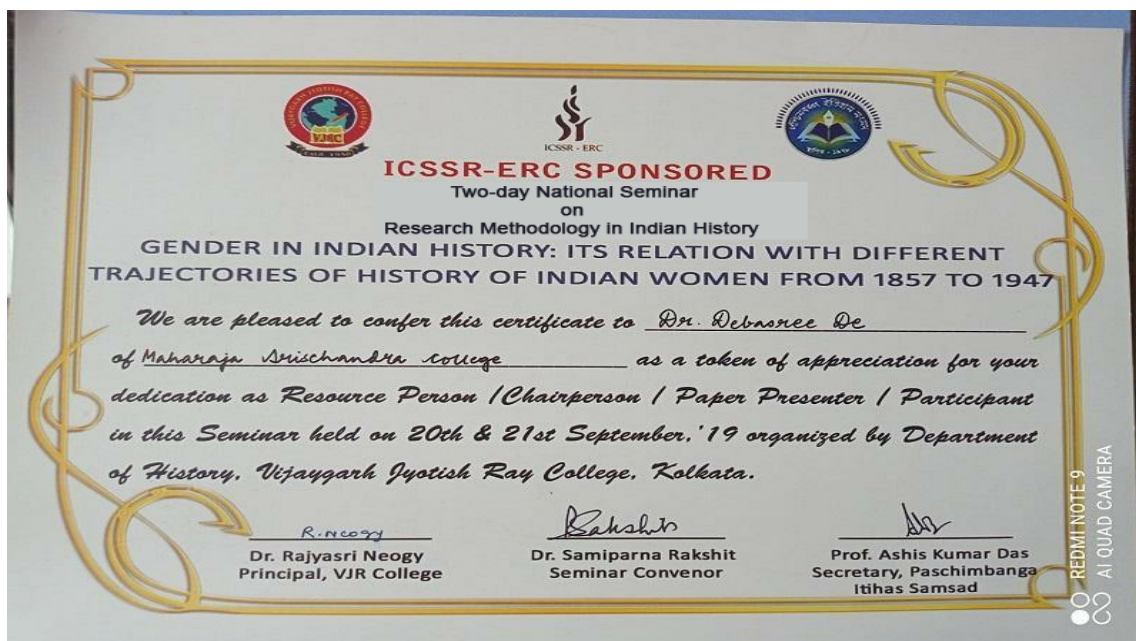

CONCEPT NOTE
The agenda of the seminar will be DIFFERENT TRAJECTORIES OF HISTORY OF INDIAN WOMEN FROM 1857 TO 1947 and its relation with GENDER. In addition to women's history of modern India, one more issue of the seminar is to examine gender as a concept which has led to both a representation in women's history in India and new concerns within it. The main focus of the seminar would be theoretical discussion of Gender and History as well as Women and Gender (of India in the modern period), but at the same time it would seek to find out different shades of women's history of India from 1857 to 1947.

Dear Sir,
With pleasure we do here by agree to collaborate with the department of history of your college in the matter of the proposed seminar noted in your letter of above reference. We shall appreciate if you kindly inform us of the programme and the process of the seminar.
Kindly note that our collaboration does not entail any financial support from our end.
We look forward to complete success of your seminar.

With good wishes,
Your sincerely,
Secretary
Paschimbanga Itihās Samsad

The Department of History, of our college is going to organize a national seminar in the month of September 2019. We are eager to collaborate with Itihās Samsad to make our seminar successful academically. We will be glad if your Academic Association cooperate with us to enrich the educational environment of West Bengal, as well as India.

Looking forward to your reply.
Thanking you,

Dr. Rajyasri Neogy

Event No. 5: Report of the Seminar on **Research Methodology in Philosophy**

Topic: The concept of Buddhism

A lecture was delivered on the topic of “The concept of Buddusim”, by Prof. Dr. Madhumita Chattopadhyaya, Jadavpur University, in virtual room of Vijaygarh Jyotish Ray College on 6th December, 2019. The lecture was about 2 hours. Prof. Dr. Rajyasri Neogy, Principal, Vijaygarh Jyotish Ray College, welcomed and introduced the honourable speaker to the students. Mrs. Baisali Roy Chowdhury was the host of the whole session. The lecture was very useful for the students and they were very much interested to join the programme. All the students have got a detail knowledge on Buddhism. The programme was ended by giving vote of thanks by Dr. Laxmi Saha, Assistant Professor, Department of Philosophy, Vijaygarh Jyotish Ray College. A total of 20 students participated in this event.

Event No. 6: Report of the Seminar on **Research Methodology in English**

Topic: Epic as a Literary Genre: Explaining The Key Concepts

The Department of English, Vijaygarh Jyotish Ray College conducted a Special Lecture for students and scholars. The lecture was scheduled on 30th August, 2019, 12.00 PM onwards. The lecture series initiated with words of inspiration from Dr. Rajyasri Neogy, Principal of Vijaygarh Jyotish Ray College, who formally delivered the welcome speech. Mr. Abhishek Samanta, Assistant Professor, Department of English, Vijaygarh Jyotish Ray College formally introduced the speaker, Dr. Swati Roy Chowdhury, Assistant Professor, Department of English, Mankar College who had shed light on the topic Epic as a Literary Genre. All the existing students of the department attended the lecture. Students also participated in the Question-Answer session that followed the lecture. The seminar ended with a vote of thanks from Dr. Ranabir Lahiri, Head of the Department of English Vijaygarh Jyotish Ray College.

40 students participated in this event.

Event No. 7: Report of the Seminar on **Research Methodology in Modern trends in Chemistry**

Topic: Modern Trends in Chemistry for Sustainable Development

Department of Chemistry In collaboration with The Indian Chemical Society & Internal quality assurance cell, Vijaygarh Jyotish Ray College conducted an online seminar titled “Modern Trends in Chemistry for Sustainable Development” on 3rd march, 2020 at 9:30pm onwards. The audiences of the aforesaid seminar were students, research scholars & faculties. The seminar started with motivational speech from Dr. Rajyasri Neogy, Principal of Vijaygarh Jyotish Ray College, who formally delivered the welcome speech. The convener of the webinar was Dr. Dasarath Mal, assistant professor, Department of Chemistry, VJRC. Prof. Tapan Kanti Paine, IACS, KOLKATA, Prof. Brindaban Chandra Ranu, IACS, KOLKATA, Professor Nitin Chattopadhyay, JU, Prof. Subrata Nath Koner, JU, Kolkata and Dr. Sandip Saha, APC College, New Barrackpur were the invited speaker of the seminar. A total 190 participants who included students, research scholars & faculties from across the country attended. A poster session and oral presentations were also organised. 120 copies of books containing more than 100 abstracts were published and given to the faculties and research scholars. Three best oral presentations and fifteen best poster presentations were awarded. The resource persons discussed the recent advances in chemical sciences. They also addressed the queries of the audiences in details with utmost patient. The webinar ended with a vote of thanks from the HOD department of Chemistry, Dr. Sumita Roy & the participants were provide participation certificate for attending the seminar.

<p>Concept note:</p> <p>Sustainability can be defined as the practice of maintaining world process of productivity indefinitely natural or human made - by replacing existing resources with resources of equal or greater value without degrading or endangering natural biotic system. Sustainable development ties together concern for carrying capacity of natural systems with social, political and economic challenges faced by humanity. It means that development should take place without damaging the environment and development in the present should not compromise with needs of future generations. The sustainable development goals are the blueprint to achieve a better and more sustainable future for all.</p> <p>In order to prevent damage to the planetary environment, attention must be given to the chemical changes behind the entire developing process. Recycling and reuse of available planetary stocks must be an essential approach to consider. So to integrate the modern trends in chemistry and sustainable development proper planning must be done.</p> <p>To meet this objective, department of chemistry Vijaygarh Jyotish Ray College will organize a national seminar "Modern Trends in Chemistry for Sustainable Development" in collaboration with Indian Chemical society.</p>	<p>Sir/ madam</p> <p>We are pleased to inform you that the department of chemistry, Vijaygarh Jyotish Ray College, Jadavpur, Kolkata is going to organize a one day national seminar on modern trends in chemistry for sustainable development on 3rd March, 2020 in collaboration with the Indian Chemical Society.
