Student mentoring program on 'Struggle and Success-Inspiring Stories From our Former Students'

The program was organized by Department of Microbiology, Placement Cell, Alumni association of Microbiology and IQAC. The program was held on 15.09.2021 in the ONLINE MODE. 115 students participated in the program. In this program 2 successful alumni members of the Department of Microbiology Miss Srishti Benerjee (Ph.D Scholar, Circadian Rhythms & Disease Biology Laboratory, Department of Biotechnology, IIT Hyderabad) and Mr. Rounak Ray (Executive, upstream cell culture, Biocon Biologics) shared their story and knowledge with the participants and inspired them to move on even if they fail a few times. Both the speakers had completed their graduation from this department and now they were working in entirely 2 different fields. So, they also talked about the various scopes and career opportunities in microbiology. The supporting documents of the program like flyer, pictures from the webinar, participation list and certificate of participation is given below.

**Certificate course on 'Communication Skills & Personality Development'**

IGAC of Vijaygarh Jyotish Ray College in joint collaboration with Success Scholar is offering a 30 hour course on Communication Skills and Personality Development specially designed for college students to develop themselves into well-rounded and sociable individuals on 26.12.2023. Learners will see a visible difference in themselves by course end.

We train them in Spoken and Written English, Personal Management, Interpersonal Skills, Teamwork and Presentation, so that by the time they graduate they are confident in themselves. This confidence shows in the way they carry themselves in an Interview or Group Discussion, or with their colleagues in the work sphere. We take an unconventional approach to teaching, dropping the traditional classroom monologue for "hands on" activity-oriented sessions and a case study based pedagogy.

The course was inaugurated with a speech by the college principal, Dr. Rajyarsi Neogy. Students will be learning from internationally accredited trainers about the scope of Soft Skills, and their career relevance.

Every student will be awarded a Certificate upon course completion, provided that they fulfil the minimum attendance requirement of 70%. Number of participants were 700.

Given below is the flyer, participation list and some completion certificates of the course.
