Alumni Association during the last 5 years**

Session  
2017-18

Although the alumni association of the college was not registered during the session 2017-18 but the alumni of the college always interacted and tried to guide the current students through various interactive sessions. They organize career counseling webinars and various mentoring programs on a regular basis. The Department of Microbiology, Zoology and Journalism also have their separate alumni association in addition to the common alumni association. The alumni association of Microbiology is called 'Microbeats' and that of Zoology is called 'Zootopia'. The Journalism department alumni association is called 'Alumni JORA VJRC'. They organize Reunion programs in collaboration with the respective departments. The reunion of the department of Zoology was held on 26.11.2017. Given below are the pictures of the program.

## International Webinar on 'Towards Achieving Academic Dreams: A Guidance Session for Budding Life Scientists'

The webinar was organized by the Alumni Association of Microbiology in collaboration with Department of Microbiology and IQAC Vijaygarh Jyotish Ray College. The webinar was held on **20<sup>th</sup> September 2020** from 7.00 PM onwards in the ONLINE MODE. The 4 speakers in this webinar were all Ex- students of the department and now they are pursuing their careers as scientists. Dr. Arpan De (Post Doctoral Fellow, The UTMD Anderson Cancer Centre, Houston, Texas, USA), Dr. Sagar Lahiri (Senior Research Fellow, University of Toronto), Dr. Adhiraj Roy (Associate Professor, DT Ramalingaswami Fellow, Amity Institute of Molecular Medicine & Stem Cell Research) and Mr. Romit Mitra (Research Scholar, NRE Fellow, Department of Biotechnology & PKSCBR, IIT Kharagpur) guided the students about various scholarships and examinations that they need to qualify in order to start their career as research scholars. 131 students of the department participated in the webinar. Flyer of the program is given below.

The flyer is for an international webinar. At the top, it says 'INTERNATIONAL WEBINAR' in red. Below that, the title 'TOWARDS ACHIEVING ACADEMIC DREAMS: A GUIDANCE SESSION FOR BUDDING LIFE SCIENTISTS' is in blue. The date and time are 'DATE : 20<sup>TH</sup> SEPTEMBER, 2020 | TIME : 7:00 PM (IST)'. **Report on Career Mentoring Program by an Alumni Member**  
**Conducted by: Department of Physics**  
**Date: 13.09.2021**  
**Title: “Mentoring Program”**

The Department of Physics organized an online **Career Mentoring Program** on September 13, 2021 for the students of the Department. **Ms. Sahin Nasrin**, Head of the Department of Physics, Shri Shikshayatan College, Kolkata addressed the students on the Google Meet platform. It is also worth mentioning that **she is an alumna of the Department of Physics, Vijaygarh Jyotish Ray College**. The program started at 4:00 P.M. Debashis Chatterjee, head of the Department of Physics, introduced the speaker. The speaker talked about the future scope of the students after completion of their undergraduate course. She enlisted the possible training and job opportunities for students after the undergraduate as well as the post graduate courses, in a meticulously prepared power point presentation. The ppt presentation was preserved and shared in various students' groups. After the main talk, there was an interactive session for the students, with a discussion panel, consisting of Prof. Debashis Chatterjee and Prof. Surajit Sarkar, together with the speaker. 32 students attended the webinar. The flyer of the webinar is given below.

## Student mentoring program on 'Struggle and success-inspiring stories from our former students'

The program was organized by **Department of Microbiology, Placement Cell, Alumni association of Microbiology and IQAC**. The program was held on **19.09.2021** in the **ONLINE MODE**. In this program 2 successful alumni members of the Department of Microbiology Miss Srishti Banerjee (Ph.D Scholar, Circadian Rhythms & Disease Biology Laboratory, Department of Biotechnology, IIT Hyderabad) and Mr. Rounak Ray (Executive, upstream cell culture, Biocon Biologics) shared their story and knowledge with the participants and inspired them to move on even if they fail a few times. Both the speakers had completed their graduation from this department and now they were working in entirely 2 different fields. So, they also talked about the various scopes and career opportunities in microbiology. 119 students of the college participated in the webinar. The supporting documents of the program like flyer and pictures from the webinar are given below.

## Report on the Series of Alumni Lectures

Conducted by: Department of Physics

Session 1 - Date : 27.12.2021

Title: "Bio-impedance : A Possible Solution to Faster Cancer Detection"

An **Alumni Lecture Series** has been initiated by the Department of Physics. The first lecture of this

series was delivered by **Mr. Somnath Bhattacharjee**, who completed his under graduate course in

2018, from this college. (Now he is pursuing PhD programme in IIT Jodhpur.) The title of his talk was "Bio-impedance : A Possible Solution to Faster Cancer Detection". The program was conducted on the online platform using Google Meet, on December 27, 2021 at 6:30 P.M. The speaker was introduced by Debashis Chatterjee, Head of the Department of Physics. Then he (the speaker) explained how a non-invasive measurement of electrical impedance on body parts and also other materials can generate interesting information regarding widely different issues, starting from adulteration of food to detection of diseases. He described the works of the scientists within the country and abroad and concluded with his own work in the field. After an interactive session with the participants, the webinar ended with a vote of thanks, delivered by Prof. Surajit Sarkar of the Department of Physics.
