E-GOVERNANCE POLICY

- i) Providing modern academic resources to teachers and students through E-library facility (LMS)
- ii) Ensuring the availability of high-speed internet and other IT facilities to augment the teaching-learning process
- iii) Transparent, merit-based, online admission portal maintaining existing state government rules of reservation for SC, ST, and OBC candidates to ensure inclusivity inherent in our societal structure
- iv) Detailed information on offered courses, allowed subject combinations, admission and other fees, course-wise university-approved intake capacity in different categories, prospectus etc. in the college website
- v) Timely disbursement of salary of teaching and non-teaching staff through HRMS
- vi) Cashless transactions as far as possible and, through PFMS, if needed
- vii) Purchasing through proper e-tendering in the Government tender portal whenever required as per existing government rules
- viii) Installation of extensive CCTV surveillance to ensure a peaceful college campus
- ix) Regular checking and repairing/servicing (if needed) of the IT goods, internet facility, and software by outside agencies
- x) Regular maintenance of the college server by an outside agency
- xi) Portal-based record-keeping for the purchase of recurring and non-recurring items
- xii) Software-based maintenance of the college financial account system
- xiii) Computerized record keeping of the enrolled students, examination results, teachers' attendance etc.
- xiv) Functional website for proper dissemination of relevant information to stakeholders in public domain

STUDENT MANAGEMENT SYSTEM

URL - <https://cmsys.vijaygarhjrcollege.com/cmsys/>

Modules in CMSYS PRO

1 Courses / Subjects / Papers Entry Module

In this module the Administrative User can set up all master entries pertaining to the different courses that the college offers. Such entries include the different courses, different subject combinations, names of papers under various subjects which the students may study at various semesters (or academic years), theory full marks of each such paper, practical full marks for each such paper, pass criteria for each paper (including the semester number by which it must be cleared) and credits assigned to each such paper.

2 Course-wise / Subject-wise Fees Breakup for Older Students

(1st Year / 2nd Year / 3rd Year)

In this module the Administrative User can set up different heads of fees and set up absolute amounts payable under each such heads for students belonging to old Non-CBCS registration, i.e. students who are studying 1st Year, 2nd Year or 3rd Year. This can be done on a course basis and also special cases for subject combination based fees for specific combinations. Depending up on this set up, a student's fees payment challan will be generated in case he/she is a Non-CBCS student.

3 Course-wise / Subject-wise Fees Breakup for Newer Students

(6 Semester System – CBCS and III System)

In this module the Administrative User can set up different heads of fees and set up absolute amounts payable under each such heads for students belonging to old new CBCS registration, i.e. students who are studying in the new 1st to 6th Semester mode. This can be done on a course basis and also special cases for subject combination based fees for specific combinations. Depending up on this set up, a student's fees payment challan will be generated in case he/she is a CBCS student.

4 Student Information Input Module

In this module the Administrative User can set up can either enter or upload (via pre-determined Comma Separated Value or CSV format file) information about existing students currently studying in the college. If the College has a digital copy of records of current students from where data can be exported to XLS or XLSX format, then our Technical Team can re-format the said file or files and make them suitable for import on the new system. The information that is input through this module includes information like Student Demographics Data, Contact Information, Course Information, Examination Performance History, Attendance History and Fees Payment History

Principal
Vijaygarh Jyotish Ray College
Kolkata-700 032

5

Performance Entry Module

For each student, his/her performance in terms of which exams he/she appeared in, the date/time of such appeared exams, the marks obtained by him/her in theory, the marks obtained in practical, the marks obtained via project work, the total credits assigned to the student for each paper cleared etc. are entered. This process of feeding data of performance of the students are done by users of different academic departments in the college. The module has built in validation checks to minimize error of typing. The input process supports both student by student entry and paper wise entry for each exams.

6

Attendance Entry Module

For each student, his/her attendance is registered / recorded for every paper he/she studies in a given semester or academic year. The entry process supports both manual entry, as well as upload of student attendance data via pre-determined Comma Separated Value or CSV format file. This process of feeding data of attendance of the students are done by users of different academic departments in the college.

7

Student Snapshot Dashboard

The student snapshot dashboard gives the Admin Users access to all information about a student at a single location and at a single click of mouse. Snapshot Dashboard can be accessed by specifying University Registration Number or Mobile Number or Date of Birth or even full or part of the student's name. Once inside, the user can see all information about the student including his/her demographics info, course/subject info, academic records, attendance records, fee payment records, concession records and scholarship records.

8

Fees Payment Module (Online and Offline both)

The students can log in to the Student Management portal and generate monthly payment challan. They will have the opportunity to either print the challan and make payment to the bank, or directly make payment using the "Pay Online" feature. In case they make payment to Bank, they will either need to submit the Bank-stamped challan copy in College Office so that the payment is reflected in the system. The on-campus Bank will have its own access to the system where by they can themselves mark a Student's Challan as paid through a secured log-in of their own.

9

Fees Payment History & Reporting

The Administrative User can log in and generate specific reports about payments received from different students. The users will get specific filters, including but not limited to, Curriculum Mode, Year of Registration, Current Year/Semester, Date Range of Payment Date, Specific Student ID/Roll Number/Registration Number etc. When specific filters are set, the user can see complete payment history of the concerned entity. Each report can be viewed on screen or downloaded in Excel.

Principal
Vijaygarh Jyotish Ray College
Kolkata-700 032

10 **Due Reporting & Reminders Module**

This module will send automated emails and/or SMS to students when fees for a specified period is not paid on time. When a student logs into his/her Student Account, he/she will also be able to see all dues (along with history of payments previously made). Finally, the Administrative User will be able to see the list of students who have not paid their dues for a specific period of time. There will be two modes of the Administrative view. First, there would be a section that automatically lists all students across categories who have defaulted in any payment period. The second view would be a filtered list where the user can apply various filters, including but not limited to, Curriculum Mode, Year of Registration, Current Year/Semester, Date Range of Payment Date, Specific Student ID/Roll Number/Registration Number etc.

11 **Concession & Special Case Management**

All special case and concession heads would be defined through this module and applied to specific cases through this module. For example, if the college decides on a specific waiver of certain percentage to all female students who come from a family that belongs to income category of below the poverty line, then that concession rule and the candidates to whom it would apply would have to be defined here. Similarly, scholarships, one-time rebates, continuous concessions and all other types of concessions will be defined and applied through this. Once it is defined through this section, its effect will be directly related to fees payment module.

12 **College Website with Student Log In**

The system comes integrated with a custom designed website for the college where College Authorities can update content and post notices, tenders, information, alerts and much more. The website delivered would be 100% dynamic and content driven. It will be responsive in nature and will work on Personal Computers, Mobiles, Smart Phones and Tablets. Students will have their own log in dashboard from where they can download routines, view performance reports, see due dates for fees payments, download payment receipts, request change of course/subject/paper and communicate with professors.

13 **Anonymous Grievance Registration & Handling Module**

As per NAAC Guidelines, the College Information System comes with an integrated AGRH Module. The Module is accessible for anyone through the public website of the college. Using this module, a person can register complains and grievances while withholding his or her identity. At the same time, the module allows the Management to record their action / decision regarding each complain received.

14 **Sexual Assault & Misconduct Reporting & Handling Module**

As per POSCO as well as NAAC Guidelines, the College Information System comes with an integrated SA&MR Module. The Module is accessible for anyone through the public website of the college. Using this module, a person can register complains and grievances along with his or her identity. At the same time, the module allows the Management to record their action / decision regarding each complain received.

Question: A person starts from a point A and goes to point B. The distance between A and B is 10 km. The person starts at 8 AM and reaches B at 12 PM. Find the speed of the person.

Solution:

Distance between A and B = 10 km

Time taken to reach B = 12 PM - 8 AM = 4 hours

Speed = $\frac{\text{Distance}}{\text{Time}}$

Speed = $\frac{10 \text{ km}}{4 \text{ hours}}$

Speed = 2.5 km/h

Answer: The speed of the person is 2.5 km/h.

SCREENSHOT OF CALCUTTA UNIVERSITY EXAMINATION PORTAL BEARING THE NAME OF THE COLLEGE

The screenshot displays the 'Internal Marks Entry Status' page on the University of Calcutta examination portal. The header includes the university's name in English and Bengali, the program 'B.A/B.Sc', 'SEMESTER - I, 2022', and a user ID 'CU058'. A left sidebar contains a 'MAIN NAVIGATION' menu with options: 'College', 'Check List', 'Check List Correction', and 'College Wise Enrollment'. The main content area features a form with the following fields: 'College' (set to VIJAYGARH JYOTISH RAY COLLEGE(058)), 'Subject Type' (set to HONOURS), 'Subject' (set to ENGLISH (ENGA)), and 'Course' (set to CC 1). At the bottom of the form are two buttons: 'VIEW' and 'GENERATE'.

The screenshot displays the 'College Wise Enrollment Approval Details' page on the University of Calcutta examination portal. The header is identical to the first screenshot. The left sidebar menu is expanded, showing additional options: 'College Approval', 'Candidate Wise Fees List', 'Fees Summary', 'College Wise Allotment (Theory)', and 'Centre Wise Allotment (Theory)'. The main content area features a form with the following fields: 'College' (set to VIJAYGARH JYOTISH RAY COLLEGE(058)), 'Stream' (set to Select), 'Category' (set to Select), 'Gender' (set to Select), and 'Status' (set to Select). A single 'GENERATE' button is located at the bottom of the form.
