

Schedule for P.G. Microbiology 3 rd Semester Examination, 2021					
Paper Code	Paper name	Theory Exam Date	Theory exam time	Practical Exam Date	Practical Exam time
CBCC A	BCMGE31 (Fundamentals of Biochemistry 1)	17.01.2022	12 noon – 2 pm	-----	-----
CBCC B	BOTGE32 (Biology & applications of flowering plants)	19.01.2022	12 noon – 2 pm	-----	-----
Micro C32	Proteomics & Genomics	22.01.2022	12 noon - 2 pm	28.01.2022	10:30 am – 4:30 pm
Micro C31	Fermentation & Bioprocess Engineering	25.01.2022	11 am – 12 noon	-----	-----
Micro C33	Regulation of Eukaryotic Gene Expression	25.01.2022	2 pm - 4 pm	-----	-----
-----	Summer project & seminar	29.01.2022 & 31.01.2022	11 am – 5 pm	-----	-----

Instructions to the candidates:

- Both theoretical and practical examinations will be conducted through online mode as per the schedule mentioned above.
- Question papers will be sent directly from the University to the students 15 minutes before the scheduled start time of each examination for downloading the question paper and an extra 30 mins will be given after the examination for uploading the answer sheets. No answer scripts will be accepted beyond the scheduled close of examination time.
- The examinations will be held in Google Classroom platform.
- The respective Heads from the colleges will send the verified email addresses of their students to the Head, Dept. of Microbiology, University of Calcutta within July 22, 2021. Once the students receive the invitation for joining the classroom page, they must join immediately.
- If more than one answer scripts are found to contain identical answers or contain answers plagiarized from sources in internet, all such answer scripts will be summarily cancelled.
