The GATE 2018 score is calculated using the formula

$$GATE\ Score = S_q + (S_t - S_q) \frac{(M - M_q)}{(\bar{M}_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2018 scorecard

M_q is the qualifying marks for general category candidate in the paper

\bar{M}_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to \bar{M}_t

In the GATE 2018 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2018 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

The candidate should note that having 4/5 (B.V.Sc.& A.H.)/6 (10+6, B.Sc. Ag.) years' UG degree is the essential requirement for admission to Master degree programmes. The candidates having passed with 3 years' UG degree programme are not eligible for admission through AICE-JRF/SRF (Ph.D.)-2021 except at IARI and NDRI in few courses.

In case any degree from a particular college/university is not considered for admission by an Agricultural University on account of a particular college/university being derecognized by VCI/UGC, or due to any court directives (present or future), ICAR will not be responsible for admitting students of that college/university in the Universities not willing to admit such candidates.

The candidates passed out from private agricultural colleges/universities not accredited by ICAR, even though affiliated to public funded/Govt. institutions, were notified through Information Bulletin, as not eligible to appear in AICE-JRF/SRF(Ph.D.) examination. Therefore, if any of such candidates have appeared in the examination and their scores declared by NTA, are not eligible to participate in the counseling. ICAR will not be held responsible for denying admission to such candidates by any of the accredited AU under the ICAR-AU system.

The exact title/nomenclature of the degree programme might vary from one university to another. The candidate is advised to enquire about the nomenclature of degree programme and other details from the Registrar of the concerned university [for contact details, please refer Annexure-III of the Online Counseling Brochure of AICE-JRF/SRF(Ph.D.)-2021 before registering for Choice filling /seeking admission.

Against total number of ICAR seats available for a particular degree programme in a university, not more than 40% of ICAR seats from one State would be allocated to any one university in that Subject under a particular category. While computing 40% number, mathematical method of rounding to the nearest integer would be adopted except where there is only one seat, in which case, the whole seat would be allocated. While rounding off, the number might exceed 40% to that extent.

Fellowship would be granted only when the candidate seeks admission after counselling and pursues Ph.D. degree in an AU other than the AU from where he/she has completed Bachelor's or Master's degree as indicated in the Information Bulletin and Online Counseling Brochure. The candidate is advised to go through Item 7.0 [Conditions for the award of ICAR-JRF/SRF(Ph.D.)] of the Online Counseling Brochure in this regard. The award of Junior Research Fellowship/Senior Research Fellowship [JRF/SRF(Ph.D.)] shall be governed by the rules and regulations/guidelines issued and as amended by the Council from time to time in this regard.

(Controller of Examinations (Agril.Edn.))

Step by Step process of Online Counselling for admission to UG, PG and Ph.D. courses through ICAR's AIEEA.

NTA will declare the result of AIEEA.

ICAR will finalise the list of eligible candidates who are permitted to participate in Online Counselling. All eligible candidates will be communicated their Login ID and password through SMS and email.

As per given schedule, candidates should visit the site www.icarexam.net and fill their choices within the time permitted. They should fill maximum number of choices.

First seat allotment will be done. All candidates who have been allotted any seat will be intimated through SMS and email about the allotted course and University.

FOR REPORTING, NO PHYSICAL VISIT OF THE ALLOTTED UNIVERSITY IS REQUIRED THIS YEAR IN VIEW OF COVID SITUATION. Candidates will be required to upload their documents and report online **ONLY**.

Candidates should keep their relevant documents ready and scanned. Only JPEG files should be uploaded. If there is more than one sheet then upload them one by one. Please be sure that files are NOT password protected. DO NOT upload PDF files. Be sure that uploaded documents have same information as filled in the Online Application filled for AIEEA. No change of information will be permitted at this stage. Uploaded images should be clear and sharp. Category and PwD supporting documents should have complete required details, clearly visible seal, sign, date, place of issue and should be latest as per requirement. For M.V.Sc. and Ph.D. Admissions, submission of PDC is relaxed till **31-12-2021** subject to submission of a certificate from Registrar of the University from where the PDC is pending. For B.V.Sc. & AH 5½ years programme students, PDC has to be submitted on or before the date of registration in the allotted university.

After Uploading of document, University officials will download the same and verify them. If University finds any document unclear or irrelevant, they may demand the candidate to re-upload the same. **The time permitted for re-uploading will be till 12noon of next calendar date (from the date of demand).**

So it is better that candidate leaves no lapses in the uploaded documents in order to avoid the requirement of re-submission. Admission will be denied if the candidate fails to upload the desired

document within permitted time window. If a candidate is denied admission, then he/she will NOT be considered in the subsequent round.

After documents are declared “Verified” by the University, candidate has to pay “Seat Acceptance fee” of Rs 10,000. **This is to be paid by all candidates of all categories. Although this fees is non-refundable but due to Covid-19 pandemic situation, a candidate will get 100% refund if requested up to completion of Third Round of counselling i.e. END of Fee Reconciliation and Online Reporting by the Universities. If refund is requested after completion of Third Round, then there WILL BE a deduction of Rs 1,000/-. In “Upgraded” cases, the candidate will not be required to pay the “Seat Acceptance Fee” again.**

At this stage candidate will also be required to opt for “Upgradation” if he wishes to. “Upgradation” is the process to shift the candidate to his/her better choice in subsequent round of allotment (Except in last round). If an upgraded seat is allotted in the subsequent round then the candidate will have no claim left on the earlier allotted seat. So this option must be exercised carefully.

After reconciliation of Seat acceptance fee, University shall mark the candidate as “Admitted Provisionally.” Admission letter will be mailed to the candidate.

Similarly 2nd and 3rd round of allotment will be conducted on the same choices filled by the candidate in the beginning.

Whenever the classes begin, candidate shall carry all originals of all the documents uploaded by him/her. They will be finally verified physically. If any ambiguity is observed, the candidate may be denied admission.

Then the candidate will be required to pay the University’s admission fee (minus Rs 10,000 already paid as seat acceptance fee). The seat acceptance fee will be received by the University from ICAR.

Fellowship / Scholarship will be allotted after final admissions are completed by the University.

NOTE:

1. Candidates should visit the official counseling website regularly, for regular updates. Such updates will ONLY be published on this website and through NO other means.

2. Since the complete process is Online so candidates should regularly check their email and SMS. No excuse for missing any information will be entertained later.
3. Candidates should complete their choice filling / uploading / Online reporting and all online activity just when the facility begins. DO NOT wait for the last date. Verification by University, demand to resubmit some documents and fee reconciliation may take more time than expected. The process will not be delayed for such few late comers and the candidate is likely to miss the chance of getting admission.
4. All activities described above will be guided by the counseling software itself. Candidate / University have to just keep following the signs displayed online and keep proceeding ahead.
5. If needed, mop-up round of online counseling may be held after completion of 3rd round.

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard

M_q is the qualifying marks for general category candidate in the paper

M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$, is the score assigned to M_q

$S_t = 900$, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Dear Candidate,

I am pleased to inform you that you have qualified for Junior Research Fellowship (JRF) and eligibility for Assistant Professor in June 2021 Joint CSIR-UGC TEST. The tenure of fellowship is five years and it commences from the date of declaration of NET result, i.e., 24.03.2022 (or) from the date of admission under M.Phil./Ph.D. (or) from the date of joining M.Phil./Ph.D. programme, whichever is later. The summary of financial assistance offered under the scheme is mentioned at **Annexure I** available on www.ugc.ac.in/netjrf along with other Annexures.

The Awardee is required to get admission and registration for regular and full time **M.Phil./Ph.D.** course in a University/Institution/College recognized by UGC at the first available opportunity **but not later than three years** from the date of issue of this award letter. University/Institution/College is requested to process for award of JRF based on this letter, in accordance with the procedure available on www.ugc.ac.in/netjrf.

It may be noted that the fellowship amount shall be disbursed through Canara Bank to bank account of the Awardee (any bank) directly. UGC had developed a dedicated web portal (<https://scholarship.canarabank.in>) for capturing data of the awardee. The Universities/Colleges/Institutions will link the data of the awardee with the master data on the UGC web portal with unique Maker/Checker Ids which have already been provided to them along with the passwords. The Universities/Colleges/Institutions shall update the information in the master data (regarding monthly payment confirmation, HRA, up-gradation, resignation etc.) of the beneficiaries on monthly basis. Based on the data updated on UGC web portal by the concerned Universities/Colleges/Institutions, the payment of the fellowship will be made to the beneficiaries (Detailed process available at https://www.ugc.ac.in/ugc_notices.aspx?id=2153).

It may also be noted that UGC had proposed to link "AADHAAR" with bank account of students so that there can be direct cash transfer and effective disbursement of fellowship into bank account of the student. In this regard, Secretary, UGC had requested the universities to help students in Aadhaar enrolment vide D.O. No. F.14-34/2011 (CPP-II) dated 11.01.2013.

It may please be noted that the award is liable to be cancelled by Implementing/Awarding agency and it will also attract legal action against the Awardee in the following cases:

- If the awardee is found to be ineligible to receive the award at any point during the entire duration of fellowship,
- Misconduct of Awardee,
- Unsatisfactory progress of research work,
- Failure in any examination related to M.Phil./Ph.D.,
- In case any other fellowship is drawn from other source(s),
- Concealment of facts.

The e-Certificate of eligibility for Assistant Professor has been uploaded on <https://ecertificate.nta.ac.in>. The eligibility of the candidate is to be ensured by the concerned institution/appointing authority. The category under which the candidate had appeared may be verified from NTA.

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,
 M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard
 M_q is the qualifying marks for general category candidate in the paper
 M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
 $S_q = 350$, is the score assigned to M_q
 $S_t = 900$, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.
