World Ozone Day
2021

Theme: "Montreal Protocol - Keeping us, our food and vaccines cool"

World Ozone Day is observed on September 16, every year. It is celebrated to spread awareness among people about the depletion of the Ozone Layer and search for possible solutions to preserve it. On this day, people from all over the world are expected to join the Montreal protocol to join the talks and seminars. The year's theme for the International Day for the preservation of the Ozone Layer is "Montreal Protocol: Keeping us, our food, and vaccines cool." The Montreal Protocol started life as a global agreement to protect the ozone layer - a job it has done well - making it one of the most successful environmental agreements to date. On December 16, 1987, the United Nations General Assembly proclaimed September 16 the International Day for the preservation of the Ozone Layer, commemorating the date, in 1987, in which the Montreal Protocol on substances that Deplete the Ozone Layer was signed. Every year, this day is celebrated as the International Day for the preservation of the Ozone layer. The Ozone layer is a layer of the atmosphere that has high ozone concentrations. Ozone is a gas that is made of three oxygen atoms, O₃. Most of the ozone stays within the stratosphere, whereby it acts as a shield, protecting the surface of the Earth from the harmful ultraviolet radiation of the sun. If this shield was to weaken, we would all be more susceptible to impaired immune systems, cataracts, and skin cancer.

Clean and Green campus activity by NCC, NSS

i) Area cleaning by NSS Volunteer was held on 19.1.2019 and 20.1.2019

ii) Cleanliness drives: NCC cadets' role in Swachh Bharat Abhiyan (Clean India Mission) is essential to make this campaign successful as it aims at bringing out behavioral changes in public and encouraging health practices, spreading awareness and strengthening the cleanliness systems. The National Cadet Corps has been a major part of the Swachh Bharat Mission initiative and the NCC Cadets have been carrying out these activities as part of social responsibility and community development. Clean India also brings about change in regard to investments by foreign country leading to economic development of our country and its growth. Also bringing a variety of sources of employment, reducing death rates and health costs and many more. In 2018-19 session following cleanliness drives were performed by NCC cadets of VJRC

S/L No	Type of Cleanliness Dive	Date	Number of Cadets involved
1	Cleaning and sanitization of Bijoygarh Hospital Campus	19.09.2018	38
2	Cleaning of Statues of Historical Personalities	20.09.2018, 21.09.2018	47
3	Cleaning and sanitization of Back alleys and roads around the college and college campus	23.09.2018	46
4	Cleaning of monuments	23.09.2018	18

Cleanliness Drive: Swachh Bharat Mission or Clean India Mission is a country –wide campaign initiated by the Government of India in 2014 to eliminate open defecation and improve solid waste management. NCC, through its mass base in rural and urban areas, took up the task of Swachata during the Swachata Pakhwada from August 01-15,2016 on a war footing with a total of over five lakh eighty thousand cadets participating throughout the country. During the period June 2019-May 2020, 28 NCC cadets and 1 ANO of Vijaygarh Jyotish Ray College participated in several cleanliness drives like cleaning of Street , drains and Back Alleys of College Premises, Cleaning of Statues of public figures, Bus stand, public parks, Local hospital premises, Local Monuments.

YEAR 2020-21

1. Hon'ble Principal, Vijaygarh Jyotish Ray College, Dr. Rajyasri Neogy has participated in International Science Film Festival of India with her excellent film "An Ambiguous Voyage"

To inform general people about the judicious use of renewable resources and sustainable development an attempt has been made in this film.

As we know that Marine resources are renewable resources, people living along the coastal area depend on these resources for their livelihood. Among these the most significant profession is Marine fishing. Crores of people living along coastal areas depend on Marine fishing for their livelihood. Sometimes for over greediness of people, sometimes due to distressed economic condition

Marine fisherman trying to harvest more than what is actually to be harvested. In this way due to over harvesting or overfishing Marine fisheries resources are depleting in India and in West Bengal too. In this film an attempt has been made to make general people aware about the judicious use of environmental resources. In other words, to educate the general masses, students about the environment, to make them understand that without the environment we will be nowhere.

2. A Film by Dr Abhijit Das, Dept. Of Economics, "Beyond the veil": a film on Socio-economic impact of groundwater arsenic pollution.

Rajyasri Neogy

Principal
Vijaygarh Jyotish Ray College
Kolkata-700 032

3. Name of the Project: RESTORATION OF AQUACULTURE OF PONDS

Location: Patharpratima Block, Sunderban, S-24 Paragana(s)

Brief: Vijaygarh Jyotish Ray College, its collaborative partner Nature Mates Nature Club (a govt. approved NGO in Kolkata) along with Lumentas Life Science (a non-govt. registered company in Kolkata) are engaged in providing aquaculture feed supplements and water treating agents and consultation for effective restoration of ecological balance in aquaculture ponds in above mentioned areas of Sunderban, which was severely affected by the super cyclonic storm Amphan, on 16th May, 2020.

Scenario: Due to the storm the household ponds and aquaculture ponds of the said region were devastated due to salt water flood, high tide and other external contaminations. This results in havoc disruption of aquatic ecosystem including death of fish and distortion of water quality. Though none of these ponds were used for drinking purpose but the general quality of those ponds were worsened due to several factors, predominantly- sweeping increase in salinity, high pH, increased pathogenic bacterial load, ammonia deposition, dissolved oxygen shortage, and increased hardness of the water.

Activity: After gathering the individual and thorough data of the affected ponds, collected from the area, an initiative was taken by the Nature Mates Nature Club to revive the normal conditions and water quality of the ponds and to bring back them able to execute aquaculture in association with Vijaygarh Jyotish Ray College and Lumentas Life Science.

Initially, initiatives were taken to reduce excess alkalinity, abnormal pH, increased hardness and other general contaminants including leaves, plastics and household wastes. Also, water samples and pond soil samples were collected and tested in the laboratories of Dept. of Microbiology, Vijaygarh Jyotish Ray College, for any abnormal microbial loads.

In order to bring back the normal condition at first 20-50% of water from the ponds were drained out depending upon the condition. Next the ponds were treated with aquaculture grade zeolite to improve the water quality along with the pond bed soil condition. Rigorous netting and application of zeolite helped to decrease the absorbed ammonia, H₂S and other toxic gases from the water and pond bed.

After this, certain non-antibiotic chemicals were applied to reduce the pathogenic bacterial and viral load from the water. This precautionary measure was taken to reduce the chance of future mortality of fish pin/larvae.

The chemical parameters were then measured of every pond. Even after these treatments some ponds were showing low concentration of dissolve oxygen. For these situations further treatment was done by oxygen generating agents and with EDTA to increase and stabilize the concentration of oxygen in the ponds. As a last method certain ponds were provided mineral powder and Lactobacillus sp. To increase the plankton level and reestablished the primary aquatic eco system.

News of this project was published as an article in Times of India on Feb 15, 2021.

Agreement with Nature Mates Nature Club:

পশ্চিমবঙ্গ পশ্চিম বঙ্গাল WEST BENGAL AD 497115

COLLABORATION AGREEMENT

This agreement is entered into by the IQAC of Vijaygarh Jyotish Ray College (Institution), 8/2 Bijoygarh, Kolkata- 700032 and Nature Mates Nature Club (Organization), 6/7 Bijoygarh, Kolkata- 700032

The purpose of this Agreement is to develop academic, educational and society outreach collaboration through resource sharing between the two Institutions and strengthening professional relations between the departments/institutions.

1. Internal Quality Assurance Cell of the Institution and the Organization undertake to promote and develop cooperation with various activities such as those listed below on the basis of equality and reciprocity:

- 1.1. Exchange and sharing of human resource (Academic) of both the institution and the organization;
- 1.2. Hosting seminars, talks, panel discussions and extension activities for academic excellence jointly by the Institution and the Organization;
- 1.3. Human resource of both the institution and the organization will have equal access to quality enhancement programmes organised at both the institutions and the organization.

2. It is understood that implementation of any of the type of cooperation stated in clause 1.2 mentioned above shall depend upon the availability of resources and financial support at the institution and the organization concerned.

- 3. This Agreement shall remain in force for three years if either the institution or the organization does not terminate it by a minimum of a six month's written notification to the other institution or organization.
- 4. This agreement may be extended after discussion by the representatives of both the institution and the organization.
- 5. The agreement may at any time be revised or modified, by mutual consent, within the period agreed upon by way of clause 4 mentioned above.
- 6. This agreement shall enter into force upon signature of the following persons:

For Vijaygarh Jyotish Ray College		For Nature Mates Nature Club

TREE PLANTATION DRIVE BY NCC CADETS

TREE PLANTATION DRIVE

Someone is sitting in the shade today because someone planted a tree a long time ago". Inspired by the motivational quotes of Warren Buffet, the VJRC-NCC Unit stepped into action to enrich the flora around our respective homes. Due to COVID-19 restrictions, the whole country was at a standstill. Yet, this did not prevent VJRC-NCC cadets from enriching our environment. Under the guidance of Lt Shilajit Barua (ANO-VJRC), a 'Tree Plantation Drive' was held on 15 July, 2020. NCC cadets took the initiative to plant tree samplings at the vicinity of their residence in order to spread the message of green environment.

CLEANLINESS DRIVE BY NCC CADETS

Swachh Bharat Abhiyan, September 2020

SWACHH BHARAT ABHIYAN: CLEANLINESS DRIVE

The Swachh Bharat Abhiyan Week was followed on and from 25th September 2020. NCC cadets of VJRC NCC Unit participated in various cleanliness activities like maintaining clean roads, hospital premises, alleys and college premises. Also the cadets cleaned statues of personalities of national importance installed at the vicinity of college campus. About 42 NCC Cadets of VJRC NCC Unit participated in this cleanliness drive

CLEANING OF STATUES OF PERSONALITIES OF NATIONAL IMPORTANCE

Statue of Swami Vivekananda Installed at the Vicinity of College Premises was cleaned by the NCC Cadets on 26th September, 2020

PROGRAMMES CONDUCTED TO PROMOTE SYSTEMATIC WASTE MANAGEMENT

Webinar on Research Methodologies in e-waste management Date: 3.10.2021

Time: 5.00 PM onward

The Department of Environmental Science, and IQAC, Vijaygarh Jyotish Ray College, in association with

Hulladek and Nature Mates organized an e-waste management awareness. The Sessions of this series commenced with words of inspiration from Dr. Rajyasri Neogy, Principal of Vijaygarh Jyotish Ray College, who formally delivered the welcome speech. The resource person of this webinar, MR. NANDAN MALL, Founder & CEO, Hulladek Recycling, delivered a resourceful lecture on ill effects of e-waste and their management strategies. The sessions was casted in Google Meet. 46 participants which included students, scholars and academicians pan-India actively participated in the webinar. The speaker addressed the queries of the audiences in details with utmost patient. The webinar ended with vote of thanks from Dr. Prasenjit Das, joint IQAC co-ordinator of Vijaygarh Jyotish Ray College, feedback was collected and participation certificates were distributed.

Vijaygarh Jyotish Ray College joins fight against Coronavirus

Team Vijaygarh Jyotish Ray College joined fight against Covid-19 pandemic and distributed sanitizers, masks and in the College neighbourhood and PPE kits to hospitals.

Team of VJRC has prepared 200 bottles of alcohol based hand sanitizer as per WHO formulation and distributed among local poor people who are unable to afford high-priced hand sanitizers in this critical situation on 23.03.2020. College Principal Dr. Rajyasri Neogy, College Governing Body President and Kolkata Corporation Mayor-in-Council Mr. Debabrata Majumder & local Councillor Mr. Tapan Dasgupta distributed the bottles. This initiative was taken by the Department of Microbiology & Department of Chemistry on 23.3.2020

Thalassemia Awareness Camp

Awareness Program conducted by Chemistry dept. VJRC

The NSS, IQAC and Chemistry Department of Vijaygarh Jyotish Ray College conducted a Thalassemia Awareness Programme in collaboration with Rotary Club of Calcutta Suncity RID

3291 on 30 th May 2022. In the aforesaid seminar, the speaker was honorable Dr. Ramendra Homchaudhury, Chairman of Thalassemia Awareness and Prevention Committee, RID 3291. The target audience of this seminar were students and faculties of this institution. The seminar

started with a motivational and thought-provoking welcome speech from Dr. Rajyasri Neogy, Principal of Vijaygarh Jyotish Ray College. After that. Rotarian Dr. Ramendu Homchaudhury,

renowned orthopedic surgeon, magnificently explained the aim and utility of this awareness program. A total of 150 participants including students and faculties attended the seminar.

The

seminar ended with vote of thanks from the conveners (Dr. Ruma Roy and Dr. Sayantani Chatterjee) of the program. The feedback was highly effective as many of the students have also

shown their willingness of participation and doing blood test in this regard in future. Photos:
